Why Partner with Riverton Community Synagogue?

Since 1952, Riverton Community Synagogue has been the heart of Jewish life in our region — and one of the largest congregations in the state. More than a place of worship, we are a true community hub: home to an award-winning nursery school, robust youth and teen programming, adult education, and a full calendar of cultural and holiday celebrations that bring families together throughout the year. Our 850 member families span Riverton and the surrounding towns — an engaged, values-driven community that notices and remembers the businesses that invest in them. Our Kehillah Weekly email reaches 3,200 subscribers, and our social channels connect with 1,900 followers. When you join the Chaverei Kehillah program, your brand stands alongside a trusted institution at the center of local family life.

✦ Named Event Sponsorships Also Available ✦

Support a specific moment in our community's year — our Purim Carnival, Chanukah Party, Mishloach Manot Program, Annual Gala, and more. Please reach out to learn about event sponsorship pricing and recognition opportunities.

> *Half our customers are families we see at the Purim Carnival every year. Sponsoring was the easiest marketing decision we made all year, and people still stop by the counter to thank us for supporting the community.*
